

Project report

The Vaccinators

Cedric De Schepper, Thanh Danh Le,
Wannes Marynen & Stijn Vissers

May 2019

1 Introduction

This document specifies where you can find our documents and project code with additional explanation. An overview of everything can be found on our website:

<https://descheppercedric.github.io/Stride-Dissertation/>

This document will be updated until the final date of submission.

2 Simulation paper

The simulation paper is available on the following link: https://github.com/DeSchepperCedric/Stride-Dissertation/blob/master/docs/BAE_Simulation_Paper.pdf

Feedback on the first version of this paper is partially incorporated.

3 Paper

The final paper on our project can be found at the following link: <https://github.com/DeSchepperCedric/Stride-Dissertation/blob/master/docs/BAE-Paper.pdf>

4 User Manual

The user manual of our project can be found at the following link: <https://github.com/DeSchepperCedric/Stride-Dissertation/blob/master/doc/latex/UserManual.pdf>

5 Alpha/Beta version

The alpha and beta version of our project can be found respectively under the tag "Alpha" and "Beta":

- Alpha: <https://github.com/DeSchepperCedric/Stride-Dissertation/releases/tag/Alpha>
- Beta: <https://github.com/DeSchepperCedric/Stride-Dissertation/releases/tag/Beta>

6 Final version

The final version of our project is available under the tag "Final" at <https://github.com/DeSchepperCedric/Stride-Dissertation/releases/tag/Final>

7 Feature Status

- Daycare & Preschool: Finished
- Workplace size distribution: Finished
- Dataformats: Finished
- Demographic Profile: Finished
- Visualization tool: Finished
- Belgium Simulation: Finished
